

BIRTH EXPERIENCE

\$750

I will only be accepting 1-2 birth sessions per month so it is very important to get on my calendar as soon as possible to secure your date.

\$250 due to book your birth experience

-This will reserve 1 of 2 spots that I have available per month.

\$500 due 4 weeks prior to your due date

-You may make payments in any amount and at any time leading up to 36 weeks.

What's Included:

Birth sessions include unlimited hours through delivery and then 1-2 hours afterwards. My goal will be to capture everything going on leading up to your baby's birth and then to be there for all of the important little details such as baby's 1st bath, weight & measurements, and meeting the family. Galleries typically have 100-175 hand edited high resolution photos and will be posted to a private gallery for you to enjoy and to download from.

For more on births check out my blog post below.
