

FRESH 48 NEWBORN

\$250

These are newborn lifestyle type sessions done at the hospital within the first 48 hours of birth. Mom will have had time to get a shower and get ready and this is a great opportunity to capture your family interacting and getting to know their newest little member.

Includes:

1 hour with photographer in your hospital room
A private online gallery with a minimum of 30 hand edited photos
High resolution digital downloads from your gallery
Print release

FRESH 48 ADD ON TO BIRTH SESSION

For those clients that do a birth session with me, you will have the option to add a Fresh 48 session for a huge discounted rate of \$150.
